Margins at the centre: Navigating a just transition in the Wild Wild Waste

GUEST SPEAKER: **BREX AREVALO**

Brex Arevalo is an environmental planner, climate justice advocate, and researcher who has dedicated his career to promoting environmental and social justice in the Asia-Pacific region. Brex has more than nine years of experience working on climate change, pollution, air quality, and sustainable development.

After spending years at Ecojesuit — the global communications platform and online resource centre for the Global Ignatian Advocacy Network — where his work was guided by Ignatian values, Brex now works with urban poor communities in Manila, Philippines, as Climate and Anti-Incineration Campaigner for the Global Alliance for Incinerator Alternatives (GAIA). He supports the advocacy efforts of these communities, whose homes, livelihoods, and dignity are threatened by a destructive waste-burning facility. He also advocates for policies that support a safe and just energy transition in the Global South.
